

Patient Payment Options
Brittany N. Meyer, D.M.D., PC

We feel that mutual understanding between the patient and our office for the method of payment for your treatment is necessary for good rapport and a good relationship between both parties. It is our goal to make necessary dental treatment affordable to everyone regardless of his or her financial situation. To that end please advise us of your choice of one of the following methods that best suits you. The business office will discuss this with you before stating any treatment. We want the best possible treatment for each patient and we will cooperate with you in anyway we can.

- #1. Payment in full at time of each segment of treatment, cash or check.
- #2. Payment in full at time of treatment using credit card.
(Visa, MasterCard, Discover, or American Express)
- #3. Care Credit (a third party financial firm used for the extended payment of 3 or more months. No interests plan for one year available.

Patients with Insurance:

- Insurance if filed as a courtesy to our patients.
- If insurance has not been paid after 60 Days, you will be responsible for the full balance.
