## Cameron Howard DMD MScD

FALL 2014

### *Practice Opening Announcement!*

Pinnacle Endodontics of Georgia is proud to announce its Grand Practice Opening on August 22, 2014!

Our practice is built around two key tenants:

#### ***Endodontic Excellence:***

Dr. Cameron Howard is a Board Certified Endodontist. He has invested in the latest technology to ensure that the best patient care is rendered. The office uses a **paperless** record system, complete with pre-treatment online patient paperwork and **digital radiography**. Dr. Howard always treats patients using his **Global microscope** capable of taking intra-operative photographs and video.

#### ***Personalized Care:***

Dr. Howard and his staff will constantly strive to ensure a **safe, quick, and comfortable** consultation and treatment session. Our office stands ever ready to see patients on timeframes that fit their schedule. We will be **accessible after hours and weekends** for any dental emergencies that may arise. **Your patients will be treated as a friend and partner in order to provide the best care possible.**

### *Meet Dr. Howard*

Dr. Cameron Howard is a Georgia native, having grown up in Marietta, GA and graduated from Lassiter High School (Cobb Co.). He attended Furman University (Greenville, SC) and graduated with a B.S. in Biochemistry. Dr. Howard earned his D.M.D. at the University of Kentucky (Lexington, KY) and graduated with High Distinction as Class President. For his endodontic training, Dr. Howard attended Nova Southeastern University (Fort Lauderdale, FL) where he earned his Certificate in Endodontics and his Masters of Science in Dentistry. While in residency, Dr. Howard completed a surgical externship at the Universitat Internacional de Catalunya (Barcelona, Spain). Dr. Howard has been published in numerous peer-reviewed journals including *The Journal of Endodontics*.

Dr. Howard is active within the American Association of Endodontics (AAE), having served as the past Chairman of the Resident and New Practitioners Committee. Dr. Howard currently serves as a Trustee on the AAE Foundation Board and is a member of the Georgia Dental Association.

Dr. Howard previously practiced in the Tampa, Florida area for the past four years. He earned his Board Certification in Endodontics in 2013. He has performed over 10,000 root canal treatments in his clinical career. He has chosen to relocate to Cumming, Georgia in order to be closer to his family.

Feel free to contact our office manager, Cissy Mathews, to discuss if any additional dental insurance plans have been added since this newsletter publication as we are constantly striving to be as inclusive as possible.

If, by chance, we are not an in-network provider for your specific insurance, we are able to help the patient file a claim with their own insurance provider. We also provide alternative payment options including financing through Care Credit. We look forward to discussing your many options in the near future.

## *What does Board Certification Mean?*

Dr. Howard believes in the importance of providing the best in endodontic care to his patients. He has demonstrated this through his efforts to obtain his Board Certification in Endodontics. This multi-year process consisted of a written examination, an oral examination, and a treatment case portfolio. Less than 20% of all endodontists have achieved this highly sought after achievement. Dr. Howard strives to provide the best treatment outcomes and patient experiences through staying up with the latest technology and continuing education. For further information on what it takes to be a Diplomate, feel free to check out the AAE's website at [www.aae.org/board](http://www.aae.org/board)
