Interdisciplinary treatment planning and execution is the fundamental necessity of any successful high-end dental practice. Our study club focuses on this concept as its priority. We will be hosting ‘spontaneous treatment planning sessions’ whenever a member wishes to discuss a case. This strategy enables us to jointly share knowledge and experiences.

Colin Richman DMD. (Director, Seattle Study Club of Atlanta).

Sophia Nunez. (SSCA Co-Ordinator)

Meeting locations: 1305 Hembree Rd., Suite 104, Roswell, Georgia, 30076.
